Internet Research – Issues   **Grade 9 Social Studies   SOC10G**

You will have one class to research and summarize your topic and your group will present your findings to the rest of the class. You will need to create a **one-page summary (point form) of the issue**, which will be distributed to the class. Use the following links as starting points for your research. Don't forget to document your sources properly.

Answer the following questions:

1. Summarize the issue.(10 marks) Cover the 5-W's - – Who, What, When, Where and Why

2. Determine if the results of the issue will have a positive, negative or neutral effect on the province, the Government, or the political party in question. *(10 marks)*

    a. Remember that government has to do with power and money. Who ends up with more or less of these two?

3. Do you feel that [your topic's] is/are/will be beneficial to Manitoba/Canada/the province in question? Explain why or why not. If not, explain how you think this could be resolved differently. *(5 marks)*
